The Canyon Media staff periodically conducts tours of our facility for groups from area schools. These groups generally visit our offices in order to learn more about radio, communications and marketing. These groups come from local areas such as St George, Ivins, Washington City, Hurricane, Kanab and Cedar City. We have given tours to several Dixie State University Students who have been taking marketing and communication courses. This has allowed them to see first-hand the undertakings of a group of radio stations, their operations and the daily activities in the offices. On May 7, 2014 we facilitated a group of young children from the Busy Beehive Preschool of St George, UT under the direction of Megan Egbert (owner-teacher). This group of 10 children toured our facility under the direction of Carl Lamar, our VP / On-Air KONY-FM / Brand Manager of KZNU-AM radio. The children were introduced to each of our stations broadcasting rooms along with our production area in which the children participated in a recording session of their own voices. We have also given tours to various Cub Scout groups from surrounding areas which allows them enough information to be able to work on their merit badge for communications.
